Gary,

I apologize for not responding sooner. I was away at a training with limited email access. All 8 of the PRPs listed in the letter received notice letters for Lower Lay Creek. Not all of the recipients were listed as addressees on the letter you received because two different letters were sent out (one went to owners/arrangers and another to just arrangers). I will be back in the office tomorrow and available to discuss any further questions/concerns.

Lauren -

Following up on my voicemail, I will be representing Crouse-Hinds (Cooper) in connection with the Lower Lay Creek Subsite. EPA's October 30 letter lists 8 PRPs, but only 4 appear on the address list. Can you please respond and let me know whether the letter was sent to all 8 PRPs?

Thanks,

Gary P. Gengel
